## AUTO LOANS

### Low Competitive Rates

Let us finance your next vehicle at a great rate to make your payments affordable. Get current rate information at [www.marinefederal.org](http://www.marinefederal.org), in a branch, or by calling 910.577.7333 or 800.225.3967

### Pre-Approval

If you're in the market for a new or used vehicle, apply today. We make getting pre-approved easy. Apply online, by phone, at a branch, or at the car dealership and ask about Marine Federal financing.

### Debt Protection

Plan for the unexpected with Debt Protection Insurance. It covers your loan in the event of death, disability, involuntary unemployment, and military separation. Protect yourself and your asset.

### Guaranteed Asset Protection (GAP)

GAP gives peace of mind and eases the financial burden associated with the loss of your vehicle. In the event that your vehicle is totaled in an accident or stolen and not recovered, GAP covers the difference between your insurance settlement and the payoff balance of your loan. This gap can sometimes be thousands of dollars! Protect the investment in your vehicle with GAP.

### Route 66 Extended Warranty

Even the most reliable vehicle can develop a mechanical problem. Make sure you don't purchase a warranty at the dealership until you check out the price on our Route 66 Warranty. Most vehicles qualify for Factory Type Coverage of up to 8 years/100,000 miles at a very affordable rate. Adding our Route 66 Warranty will guard you from unexpected and expensive vehicle repair bills.
